➤Global assessment	3.5/4
	0,0/T

Some comments

- •"It is very interesting to use web sites to access different and new materials which are very useful to use in my class for project work methodology, as the topic proposed is very suitable to be treated from different subjects."
- "A very practical approach for my students."
- "The best thing has been getting to know a lot of things about the European Union and our rights as European citizens."
- "Some problems regarding the virtual classroom."
- "More hours to be certified."
- •"I can use all the activities in my class."
- •"We intend to apply fo a K2 on this topic."
